

CLUB MERCHANDISE PRICING & SIZE CHARTS (September 2021)

Merchandise Officer: Pauline Rohan | Email: pauline.rohan@gmail.com

Sizing: The half chest measure is a good guide to work from. Take a t-shirt that you own and like the fit of, lay it on a flat surface and measure across the front, about 1-2cms below the armpits. This is the half chest size to compare against the sizing chart
